The situation
now is
very urgent

But it only
says
[Help]

This
morning
I re-
ceived a
message
from
Akashiro

AKASHIRO
!!

Or

The
one
that
ap-
pears
there

Is the
[female]
akashiro

You
came
pretty
fast

became like this!

This person that is laughing right now is my friend akashina (used to be a guy!)

Last night, I ate the 'new medicine' that my father sent me.

and then I

Anyway speaking, it can't be this kind of gender changing medicine being sent over.

Every time he finished a new product he'll always send them to his son

This guy's father is a world renowned scientist

You shouldn't be saying this after drinking that drug

I hope he can change me back

アハ
デ

To my lovely daughter son
— akahito

I've contacted the school that
your gender has changed so
from today onwards please go
to school as a female

The uniform will be delivered
to you too
